Project Manager: Keith Foster
T 501.354.2526 ext 113
F 501.354.2580

INITIAL MOBILIZATION / EST COMPLETION DATE:

October 2011 / December 2012

AWARDED / CURRENT CONTRACT AMOUNT:

\$8,484,848 / \$8,484,848

SCOPE OF WORK:

Koontz Electric is responsible for the design and construction of Solar Electricity Generation via the installation of a one Megawatt (1MW) CEC rated solar array photovoltaic system whose electrical generation shall be used to offset the installation’s electrical energy consumption.

This project includes, but not limited to, determining the number, orientation, degree of tilt and/or tracking (if any), layout, canopy structure with supports for the photovoltaic modules, electrical system connections, supporting equipment location and layout, etc. for the photovoltaic system to meet the system requirements.
