U N D E R C O N S T R U C T I O N

**SCOPE OF WORK:**

Koontz Electric Company Inc. (KECI) was awarded the EUREKA SPRINGS/ BEAVER POWER PLANT project in September of 2014. The Beaver Dam Powerhouse is located 9 miles (14 km) northwest of Eureka Springs, Arkansas, between Benton & Carroll counties. Construction of the powerhouse and switch yard began in 1963 and was completed in 1966.

KECI's primary responsibilities for this project include the following:

- Replacing station and recorder board panels 3R, 4R, and 5R
- Replacing motor generator distribution center.
- Replace inverter system, instrumentation devices, wirings, battery charger and batteries.
